Pascal Huser
DESIGN & BUILD

Do not scale from drawing.

This drawing is the property of the Pascal Huser Design & Build and should not be reproduced in whole or in part without the consent of the author. Pascal Huser Design & Build is not responsible for any dimensions addressed by measurements other than those shown on this drawing and no reliance may be placed on such dimensions. If any dimension is given it is the responsibility of the recipient to ascertain the dimension specifically from the author or by site measurement.

The sizing of all structural and service elements must always be checked against the relevant engineer's drawings. No reliance should be placed upon sizing information shown on this drawing.

All areas are approximate and measured off preliminary drawings. They refer to the built area of the building and are measured in accordance with the RICS Code of Measuring Practice, 6th Edition, RICS/RIBA. Any decision to be made on the basis of these predictions, whether as to project viability, profitability, lease agreements or the like should include due allowance for the inaccuracies and omissions inherent in the design development and building process.

Report all drawing errors, omissions and discrepancies to the architect.
