Please Note

Door trimming – It is often necessary to have doors trimmed prior to new carpets being installed. Our fitters do not trim doors; however, we are able to recommend a private contractor who can carry out this work for an additional fee payable directly.

Furniture Moving – Our quotation is based on all areas being clear of furniture at the time of installation

Quoted Prices - Due to ever increasing raw material & transportation costs, we are experiencing a much higher frequency of price increases from our suppliers, therefore we can only hold the quoted prices open for acceptance until the end of the current month, thereafter they may need to increase in line with manufacturers price increases

Payment terms

50% Deposit payable with order & balance due 48 Hours before 1st day of installation (or 1 month after order placed if the fitting is delayed at customer's request).

Order subject to terms & conditions printed overleaf
