Very price driven

Two other retailers have measured (**Hillside is one)

He liked the idea ** that they employ their own, I explained all our teams have been working for us for a long time

Mentioned we are a member of the Carpet Foundation

12 months guarantee on fitting

2 years back up if the supplier is a member of the CF as well

Explained our balance is two days before hand (use a credit card for rule 75) as well as our membership of the CF offers more back up for the customer

Definitely a LEE job

If we get this, we have to be fully set up explained plans and all notes

All points of customer expectations what is reasonable must be confirmed in our notes

Fires questions like you are in an interview manner which is fair enough, but from experience we must be detailed and professional in our approach

They only want this for 3 years and will be moving on, just FYI
