Sorry forgot to mention budgets.....

We have £16,650 for carpet & £3,750 for wooden flooring. They may want the wood in the study?

We have already advised that VAT is not reclaimable on these items but if you could reiterate to Claire tomorrow so its accounted for in the costings that will be lovely.

Kind Regards,

Siobhan

Hi David,

Sorry for the late reply, we've been moving office since the middle of last week and I've been without a computer. (My email address has not changed, I just don't have access to it at the moment so I'm having to

31/10/2016

send this from the accounts email address!)

I've attached some PDF's of Long Acre that you can print off before seeing Claire tomorrow. The top floor is slightly different now but this won't really affect your measurements as this area won't be carpeted. (There's a laundry room in between bed 6 and en suite 5. Once I have proper access to the computer systems I can send you updated drawings).

As far as I'm aware they want carpet everywhere except from bathrooms, kitchen & utility, and entrance all. Claire will be able to give you further details tomorrow in case any this has changed. I think they want a carpet runner on both flights of stairs similar to what you done for us at Grays Lane, Ashtead.

Kind Regards,

Siobhan

Siobhan hi

Hope you are well?

Oh ace had a call from Clare Booth. She has asked me to go and see her on Tuesday 8th re carpets. She said you would have plans and specification of which rooms are for carpet. Also she said you would have plans and advise me on a budget. She is looking for wool twist by the sound of things.

Are you able to send me this info before I go to see her please.

Thanks

David
