

All your music,
all the time.

- Stylish bar-type with textured cover and ruffled keypad
- 1.52 inch 65K colours CSTN screen
- FM radio with internal antenna and recording
- VGA camera, video playback and recording
- Mobile Tracker, Fake Call and SOS Message

Samsung E2120 takes the essentials to a higher level by offering a stylish mobile equipped with music player, FM radio and a camera. Able to do more and be more, this mobile also raises the standards of mobile bar design. Satisfy your style standards and your wallet at the same time.

Smart Design

You will be impressed with the stylish design of this bar-type mobile despite it being an essential phone. The textured surface offers a better grip, while the ruffled keypad helps you hit the right keys especially when text messaging.

Music Entertainment

Turn your daily ritual into a rock show, enjoy your favourite tunes on commutes, or jam with the Samsung E2120 built-in MP3 player. Keep the tunes fresh as you easily load and unload songs with up to 2GB of MicroSD memory. Make life a breeze with Hot Keys that let you handle all these features effortlessly.

FM Radio with internal antenna

You can have a non-stop supply of entertainment, up-to-date news, weather and other information with the embedded FM radio with internal antenna. Set your favourite channels for non-stop entertainment, headlines, sports scores and music. You can also unplug your earphones and listen freely in speaker mode.

VGA camera

Keep a camera at the ready right on your phone so you never lose another magical moment. With the Samsung E2120 built-in VGA camera, you can capture anything in a flash, including video. The image editor lets you sweeten the memories by manipulating colour, style and more without a PC for instant gratification.

Mobile Tracker 2.0

Mobile Tracker alerts you when your mobile's SIM card is changed, helping you to recover lost or stolen mobile.

SOS Message

SOS Message enables you to send a one-click automatic message to pre-designated contacts, alerting them in emergency situations or when you need assistance.

Fake Call

Feel much safer with added security feature like Fake Call. With this important feature, you know you can always find a way to get out of dangerous situations or reach help in a crisis.
