03.11.2011

Dear Mr Kelly

## Congestion Charging Auto Pay Application

Your recent application to set up CC Auto Pay has been successful.

The following vehicles are now registered for CC Auto Pay. Charge payments will be taken automatically from your chosen payment card. Payments will only be taken for a vehicle(s) registered for CC Auto Pay that is driven within the zone during charging hours, Monday to Friday 7am - 6pm.

VRM	Make	Model	Renewal Date
MR55CPT	NISSAN	MICRA ACENTA DCI	02.11.2012

We will send you a monthly statement on the 11th of each month, detailing all transactions.

The £10 annual registration charge for each vehicle will be automatically taken from your payment card each year until you let us know that you no longer want to pay the Congestion Charge for the vehicle by CC Auto Pay.

Please remember that you may have registered other vehicles on your Customer Account that are not selected for CC Auto Pay. You will need to pay the Congestion Charge whenever you drive or park a vehicle not registered for CC Auto Pay within the zone during charging hours.

Anytime you want to know your account balance you can view your account on-line at [cclondon.com](http://cclondon.com), or call us on 0845 900 1234 and select the relevant option. If you are registered for our mobile phone text message service you can simply text the word 'BALANCE' to 81099.

If you would like to add or remove vehicles from CC Auto Pay you can do so via your online account at [cclondon.com](http://cclondon.com). Alternatively, please call us on 0845 900 1234 (or Textphone 0207 649 9123 if you have impaired hearing).

Yours sincerely
