- Toilets
- MOTOR CARAVANS: Multi-storey car parks shown as squares are not suitable due to a height restriction of 2m.

Scale: 0 1 2 Miles

### Cycling Key

- Cycle Stands, where cycles may be left and locked.
- Free Bikes Bin: where cycles and cycling equipment may be stored in an enclosed receptacle. Bikes to be locked to the floor inside the bin and a strong lock that cannot be stretched, i.e. D lock or padlock) to be used to lock the door. Where bins are locked but do not contain a cycle the locks will be out off.
- On-Road cycle lanes
- Shared Use routes away from traffic
- Quiet Road Routes
- Cyclists only routes away from traffic
- Segregated off Road Routes

Cyclists should give way to pedestrians on shared use paths and give way to horses and pedestrians on Bridleways.

Please note that Cycling on the Promenade is at a maximum speed of 10mph.
