

## Shipments via UPS

Thank you for booking your UPS parcel with us. To ensure your parcel travels as smoothly as possible, please follow the instructions below:-

1. This is all the paperwork you need:

You should have:

- 1 Air Waybill (Label)

2. Apply one of the Air Waybills to the parcel - this will act as the address label.

3. Give all the remaining paperwork to the driver and he'll put it in an envelope for you (they're very helpful!)

Please ensure there are no flammable liquids including perfumes/aftershaves etc and or aerosols in the package.

Please remove any previous labelling, stickers, warning signs from the packaging.

None of the paperwork needs to go inside the parcel, so you can go ahead and seal it up.
