Hello,

Thanks for your time on Saturday afternoon regarding carpets for our home at 67 Holmesdale Road, Teddington, TW11 9LJ. As discussed, here are the plans of our house. I checked the floors and currently the floors at room joins are all level (i.e., prior to any engineered floor boards, tiles, carpets).

Depth of our floor finishes are:

- Hall and rear kitchen/family room (engineered floorboards) = 15mm
- Family bathroom (tile, first floor) = 12mm
- Bed 1 Ensuite (tile, first floor) = 12.5mm
- Loft floor bathroom (tile, loft floor) = 18mm

Thanks and regards
Mark Evers
