Dear David

Re: Carpets – The Cottage

Please find enclosed herewith my cheque in your favour for £2,482 representing payment on Invoices 038917 and 038923.

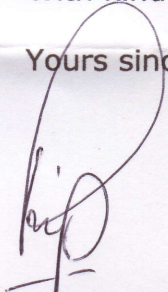

Accordingly, I am just wondering when the rug will be available as I'm sure you can appreciate I'm keen to try and finish as quickly as I can now.

In that connection Nikki's bedroom, which is presently being decorated, I'm going to, if I may and if you have some, put the same carpet in as you have put in my bedroom.

The only room remaining then will be Philip's and I will have a clearer idea on that firstly when it's been cleared, secondly when it's been redecorated and thirdly when the bathroom is complete which is now under way. I am happy to wait for both of those to be fitted at the same time.

With kind regards and many thanks.

Yours sincerely
