Please Note

1. Should the height of the flooring to the bathroom(s) be greater than 18mm we will be unable to fit an appropriate door bar. We will fit up to your flooring or you may want to have a threshold made by your own tradesman.
2. The fitters do not trim doors, therefore please ensure all doors are trimmed to the correct height prior to the installation. Alternatively, we can recommend a sub contractor, payable direct.
3. The provision to "move and replace furniture" covers the movement of items of furniture that are physically too big to be moved by the occupant. Personal belongings / ornaments and small items of furniture are not included, these items should be cleared from the area to be carpeted prior to the fitter's arrival.

We trust the above meets with your approval and this estimate is guaranteed for a period of 21 days. Thereafter it may be subject to a price increase. I look forward to receiving your further instructions in due course.
