Supply and fit new gripper rods throughout
Supply & fit 1 standard door bar in silver finish

Fitting of carpets = Wednesday 4th October 2023

Please Note Door trimming – It is often necessary to have doors trimmed prior to new carpets being installed. Our fitters do not trim doors; however, we are able to recommend a private contractor who can carry out this work for an additional fee payable directly.

Skirting Boards – Through the process of fitting a new carpet, a necessary level of force is required to ensure the carpet itself is securely fixed between the gripperod & skirting board. Please note that if a skirting board is not properly attached to the wall this may result in it pushing in at the base & coming away from the wall at the top. This is not a consequence of poor installation from our fitter therefore this is not something Mr Carpet London LTD can be held responsible for and you will need to arrange any remedial work required to finish the job if need be.

Deposit received of 1593.50 with thanks Remaining balance of an additional £1593.50 payable on Monday the 2nd October-2023 as per our terms and conditions
