Fitting = Wednesday 30th November 2022

Please Note

Door trimming – It is often necessary to have doors trimmed prior to new carpets being installed. Our fitters do not trim doors; however, we are able to recommend a private contractor who can carry out this work for an additional fee payable directly.

Furniture Moving – It is the responsibility of the customer to clear all personal effects, breakables, movable items of furniture, computer and home entertainment equipment from the areas to be carpeted prior to our fitter's arrival.

Skirting Boards – Through the process of fitting a new carpet, a necessary level of force is required to ensure the carpet itself is securely fixed between the gripperod & skirting board. Please note that if a skirting board is not properly attached to the wall this may result in it pushing in at the base & coming away from the wall at the top. This is not a consequence of poor installation from our fitter therefore this is not something Mr Carpet London LTD can be held responsible for and you will need to arrange any remedial work required to finish the job if need be.
