#### **IMPORTANT NOTE**

No underlay has been allowed for the above rug after discussions with the designer as furniture is to be placed on top of rug. Please note that the rug may slip on a wooden floor. We stock a 3mm underlay, which would not raise the carpet excessively, usually used for fitting under laminate floors that is 1m wide and could be laid in sections under the rug to stop any risk of slipping and this could be supplied under the rug for £42 + vat.

Payment terms:

Allow 21 days minimum from ordering

I trust this estimate meets with your approval and it is guaranteed for a period of 21 days from the above date. Thereafter it may be subject to change without notification if a manufacturer's price increase prevails. If there are any further points you may wish to discuss or alternative options you may require a cost for please do not hesitate to contact me.

Assuring you of our best attention at all times.

Yours Sincerely
