5th June 2013

Dear Steve

Estimate (subject to our standard terms & conditions)

Further to our recent site survey I have pleasure in showing the cost to supply & lay vinyl as detailed below.

Maple House, Prince Consort Drive, Ascot

Sauna Floor

Supply & loose lay Bright Shades Vinyl colour BS99

Fitted into sauna with a clear mastic sealant to all perimeters

Total cost labour & materials

£78.00 + VAT @ 20%

Payment terms:

Balance due 14 days after installation

Delivery

Fitting on 10th June if confirmation of order received by return

Customers notes.

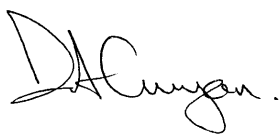

1. Sauna supports & heater to be removed prior to our arrival to site.
2. **As discussed on site we are concerned that the sauna installed directly on to the wooden floor could in use cause the wood to react to the changes in humidity. This will not only affect the wood inside the sauna but could affect the wood in the main room. We cannot guarantee the wood will not expand or contract in this room even with the vinyl installed.**

I trust this estimate meets with your approval and it is guaranteed for a period of 21 days from the above date. Thereafter it may be subject to change without notification if a manufacturer's price increase prevails. If there are any further points

you may wish to discuss or alternative options you may require a cost for please do not hesitate to contact me.

Assuring you of our best attention at all times.

Yours Sincerely
