Customer's notes.

1. The above estimate does not include cutting of doors. Our fitters are not equipped to carry out this work but we can arrange for this work to be carried out by a contractor for an additional cost payable direct.
2. As discussed on site the external corner where the carpet is to be stuck to the walls needs a right angle piece of wood for the carpet to be fixed to.
3. A seam is required to this area as the room is over 5m wide.

I trust this estimate meets with your approval and it is guaranteed for a period of 21 days from the above date. Thereafter it may be subject to change without notification if a manufacturers price increase prevails. If there are any further points you may wish to discuss or alternative options you may require a cost for please do not hesitate to contact me.

Assuring you of our best attention at all times.

Yours Sincerely

DACUNYAN.
