If you are lucky enough to live in our catchment zone shown below we will happily arrange a convenient time to measure for your flooring needs. Please e-mail us with a request and we will call you back within 24 hours to agree an appointment or arrange a fitting price including accessories. If you are happy with your estimate you can place your order with our estimator, and the next time you'll see us is when our fitting team arrives to transform your floors.

If unfortunately you are outside of our catchment area don't worry we can still supply your flooring. We would say that the flooring supplied are of the best quality and require professional fitting. You must feel completely confident in your fitter and trust that he can get the most from your new flooring. If you don't have this trust we would recommend that you buy your flooring from your local Independent Retailer.

LINES OPEN MON-SAT CARPETS MUST BE FITTED TO BS 5325 OR YOUR MANUFACTURERS GUARANTEE WILL BE INVALID.
