Insurance categories

When a seller advertises a vehicle, we use the details sourced from Motor Insurance Anti-Fraud and Theft Register (MIAFTR), operated by Insurance Database Services Ltd, to check whether the vehicle is recorded as having being written off. The write off data is checked at the time of placing the advert. The write off category indicators are provided for your assistance, but the presence or absence of an indicator in an advert, should not be relied upon by you to indicate the status of a vehicle. You are strongly advised to obtain a full vehicle history check before making an offer on a vehicle.
