Dear Sirs

Re: Repairs to shower room Flat 6 Hale House, 1 Hale Road Farnham Surrey.

Further to our site survey I have pleasure in showing the costs to carry out works as listed below.

Remove existing shower screen
Remove tiles to shower cubicle area only in bathroom
Remove damaged wall board, repair pipes to shower and seal
Replace wall board as required to shower area
Re – tile walls to shower cubicle and grout tiles
Re – fit customers existing shower mixer & screen
Re – seal all areas with mastic as required

Total cost of labour & materials

£545.00 + vat

50% deposit required on acceptance of estimate. Balance due on completion and receipt of final invoice.

All labour and materials required for above work are included in the above price with the exclusion of the ceramic wall tiles. Customer to provide wall tiles matching the rest of the bathroom or an acceptable contrasting tile & adhesive.

Quantity of tiles required depends on tile size but 4 – 4.5m² of tiles are required for the shower cubicle area only.
