

BROCKWAY
KIDDERMINSTER

February 2014

Dear Customer,

Please find enclosed a special nett price list applicable to you from April 7th 2014 along with a copy, for your reference, of our new Trade Price List also effective April 7th 2014, which replaces the previous list dated 6th February 2012.

We are delighted to include our **Custom Colour Match Service** across a number of products for the first time. Your customers can now have their own carpet made specially for them here in our Kidderminster factory, using the finest wool and wool-rich yarns. With a minimum order requirement of just 25 square metres in 4 or 5m width, your customers can benefit from this special service even for single rooms within the house. Standard stock colours of some of these ranges are also available on a **Special Order** basis as identified in the Price List.

You will also note from our letterhead and Price List that 2014 is a special year for Brockway Carpets Limited. It is fifty years since Roy Annable and Skene Walley started the Company and whilst we have grown in size over the years we are proud that we are still an independent, family owned business, manufacturing carpets on our original site in Hoobrook, Kidderminster.

We'd love to see your Brockway related stories and pictures from over the years so please visit our Facebook page and post anything you have there.

I'd like to take the opportunity to thank you for your support, whether you have been buying from us for fifty years or have only recently started trading with us. We couldn't do it without you and we look forward to making high quality carpets for you here in Kidderminster for many more years to come.

Yours sincerely,

Charles Annable
Managing Director
