

Surcharges

- Minimum order per quality/colour £250.
- Handling and packaging surcharge on carpets over 5 metres wide £25.00.
- Carriage surcharge on carpets over 6 metres - price on application.
- Delivery to non trade premises subject to surcharge and special conditions.
- Made to plan surcharge of 10% and a minimum order of 20 square metres. Complicated plans subject to quotation, each cut out section must exceed 2 square metres.
- Additional surcharge for special dye orders less than 20 square metres per colour.

Colour matches can only be guaranteed between carpets ordered at the same time. Each dye lot varies within normal dye tolerance. If an exact match to the pattern book is required, a tuft from the current dye batch should be requested.

Special Dyes

We will colour match any colour of your choice, supply you with a sample tuft for your approval and upon receipt of your approval produce a carpet to match any decor scheme, subject to a minimum order of 20 square metres per quality.

Carpet Finishing

Whipping, Fringing £3.00 per linear metre. Taping £5.00 per linear metre. Taping and Beveling £6.50 per linear metre.

Fitting

All Carpets should be fitted in accordance with BS5325:2001. Carpets over 5 metres wide should be fitted using double gripper and a power stretcher. More extracts from BS5325:2001 are available on request.

Despatch

At busy times/holidays the following delivery guide may be extended.

Standard colours - Within 4 to 6 weeks from receipt of order.

Special colours - Within 4 to 6 weeks of approval of shade; sample tufts normally take 2 weeks.

Small orders i.e. under 10 square metres may be subject to extended delivery.

Borders - Delivery times vary for bordered carpets, please contact the factory.

Payment terms

2.5% discount is allowed on goods value only, provided the amount due is paid by the 20th of the month following invoice date, otherwise strictly net.

Interest is charged on overdue accounts at 1.5% per month or part thereof and accrues from due date once account becomes more than one month overdue.

Shading, Pile reversal and Watermarking

This is not a manufacturing fault but a natural phenomenon in plain carpets, customers should be made aware that this may occur when ordering any plain carpet.

Displays/pattern books are issued on loan and remain the property of the company, they should not be defaced or disposed of without the consent of the company.

We reserve the right to withdraw any display/pattern book, a charge may be made for any loss or damage.

Features of the Bronte Carpets Range

- Carpets available in any width up to 12 metres (40'0") in 2.5cm multiples (excluding Shear Classic)
- Carpets made to plan - "L" shapes etc, subject to a 10% surcharge. Complicated plans subject to quotation
- Extensive colour range
- Special colours dyed to customers own requirements subject to a small dye surcharge
- Carpet edges whipped, fringed or taped if required

We reserve the right to change the specification of our products without notice if manufacturing requirements dictate. Materials used in our products may vary depending on supply, availability and manufacturing requirements. If such changes result in reduced cost to ourselves our prices will be adjusted accordingly.

| Single Line | £22.75 | £11.35 | |
| Seaming | £5.00 per linear metre | | * These border widths can be reduced if required. |

* Add £43.25 per linear metre if 'Bow' is to be connected by 'Ribbon' (inlaid design).
* Add £24.90 per linear metre if 'Bow' is to be connected by a 'Ribbon' (carved design).
Because of the specialist nature of the border products a 50% deposit is required prior to manufacture.

Border Orders under 10 square metres

- Over 5 square metres and less than 10 square metres add 50% to the total cost.

- Under 5 square metres add 100% to the total cost.

Rugs

Specially designed rugs are available on a made-to-order basis.

Quoting

To estimate the cost of a bordered fitted carpet, calculate the square metres of the room and refer to the Standard Bronte price list for different qualities and add required linear metres of border at the prices shown above.

Please refer to back page for all surcharges.

Borders can be produced in the qualities marked **.

Measuring Service

We offer a measuring and planning service, we will visit the site, discuss matters with your client if required, take all the measurements etc, thereby eliminating your risk.

Our charge for this service is 10% of the total cost of the job with a £250 minimum charge plus travelling expenses.

Special Colours

Special colours in the border incur a £50 surcharge per colour regardless of quantity.

Handtrials (12" square)

Handtrials can be made, if specially requested, at a cost of £100.00 each.

Handtrials are not available in special colours. Please allow 10 working days from receipt of request.
