

FURLONG

WOOD FLOORING

June 2014

Dear Sir or Madam

Whilst we have been able to maintain our price points on wood flooring for a length of time, unfortunately due to recent raw material cost increases we now need to increase our prices on the Next Step 189mm, Majestic 148mm and Virginia 150mm ranges. The increase will become effective from 1st July 2014 and attached is a copy of your personal price list with the detail.

A copy of our new brochure is also enclosed and in this brochure you will find brand new collections:

- **Mont Blanc** – Large planks that look and feel like traditional oak planked flooring.
- **Classique** – The majesty and refinement of oak with a rugged, distressed appearance.

The new brochure design represents the look and style of our Wood Division going forward. Not only do we have a fresh look but have expanded our sales force so that all geographical parts of the nation are covered.

The success of our Wood Division over the last few years has been unparalleled and we firmly believe that we are the supplier of choice. How? By being first class when it comes to the breadth and depth of product range, by offering a three day maximum delivery service from our dedicated warehouse, by having cutting edge point of sale to enhance the quality of our ranges, by providing a Specialist Wood Sales team and by giving the best value product offer for service delivered.

To be part of this success story and all enquiries please contact your Wood Specialist, John Powers on his mobile number 07792 477312 or e-mail johnpowers@furlongfloors.co.uk

Yours faithfully,

Peter Sharpe
