30 September 2013

Dear David

As you are no doubt well aware business costs continue to increase in all areas. As always we have done our best to accommodate and absorb these increased costs by various methods to keep our charges to your business as low we are able and as a result of our efforts, this year we have been able to keep the increase we have to pass on to a nominal amount.

As a result, for all orders received on or after the 1 November 2013 charges will be based on the enclosed revised price list.

On a positive note we now use TNT for delivering your orders and as a consequence we have been able to reduce our carriage charges to £7.50 per consignment for a next day delivery, guaranteed AM delivery are available at a cost of £12.00 per consignment.

Unfortunately due to external factors we are having to discontinue the following stock item:

76mm width Linen Herringbone.
Shade T10.10 Brick is no longer available.

We would like to thank you for your valued custom and we look forward to servicing your binding requirements in the future.

Your sincerely

Ray Poole.
