Permission to excavate estate roads for services

On Behalf of Garratt Business Park Management Ltd the owners of the roads in Garratt Business Park, Riverside Road, London SW17 Permission is granted to

Ois Removals Ltd

Units 61-62 Wimbledon Stadium Business Centre
Riverside Road
London
Sw17 0BA

Permission is granted for **6 months from 14th November 2014** to excavate communal roads for the installation of Gas, Electricity or Water & Sewage to serve the above unit. The terms of this agreement require Ois Removals Ltd to accept responsibility for the following items.

1. Satisfactory repair and re instatement of road including all substrate & surfaces using the same materials and finishes as the existing materials.
2. Re instatement of any road markings or yellow lines damaged during excavation.
3. In addition to the immediate re instatement of all excavated areas in the event any settlement of the excavated areas occurs within twelve months from the date of completion of works Ois Removals Ltd will be responsible for the costs of any additional repairs required.
4. Ois Removals Ltd to ensure Notification of dates and times of works has been given prior to commencement to all adjacent units that may be inconvenienced during these works.

In addition to the above conditions under no circumstances must access be denied to any other units on the estate. All works carried out must comply with health & safety requirements for such works and Ois Removals Ltd indemnify Garratt Business Park Management Ltd from all liabilities related to the above works.

I herby accept the above terms & conditions on Behalf of Ois Removals Ltd
