

How to Accept Your Leads

Leads are generated from the Find a Retailer search tool on Karndeans.co.uk. When your business is selected by a customer, and they have requested to be contacted by you, all the details they provided are displayed here.

Leads are categorised as Enquiry, Warm or Hot. It's extremely important you accept the leads on this page, using the following steps:

1. Click on the new lead box and then the red accept selected button.
2. A plus icon will appear by the leads name, click on this to see the full details of the lead.
