Please read the instructions below BEFORE going to site.

Fit carpets to lounge, 4 bedrooms & hall. NO JOINS. Cut down lounge carpet at warehouse as lounge is long and narrow.

Leave waste from lounge with customer. Leave waste from hall AT WAREHOUSE.

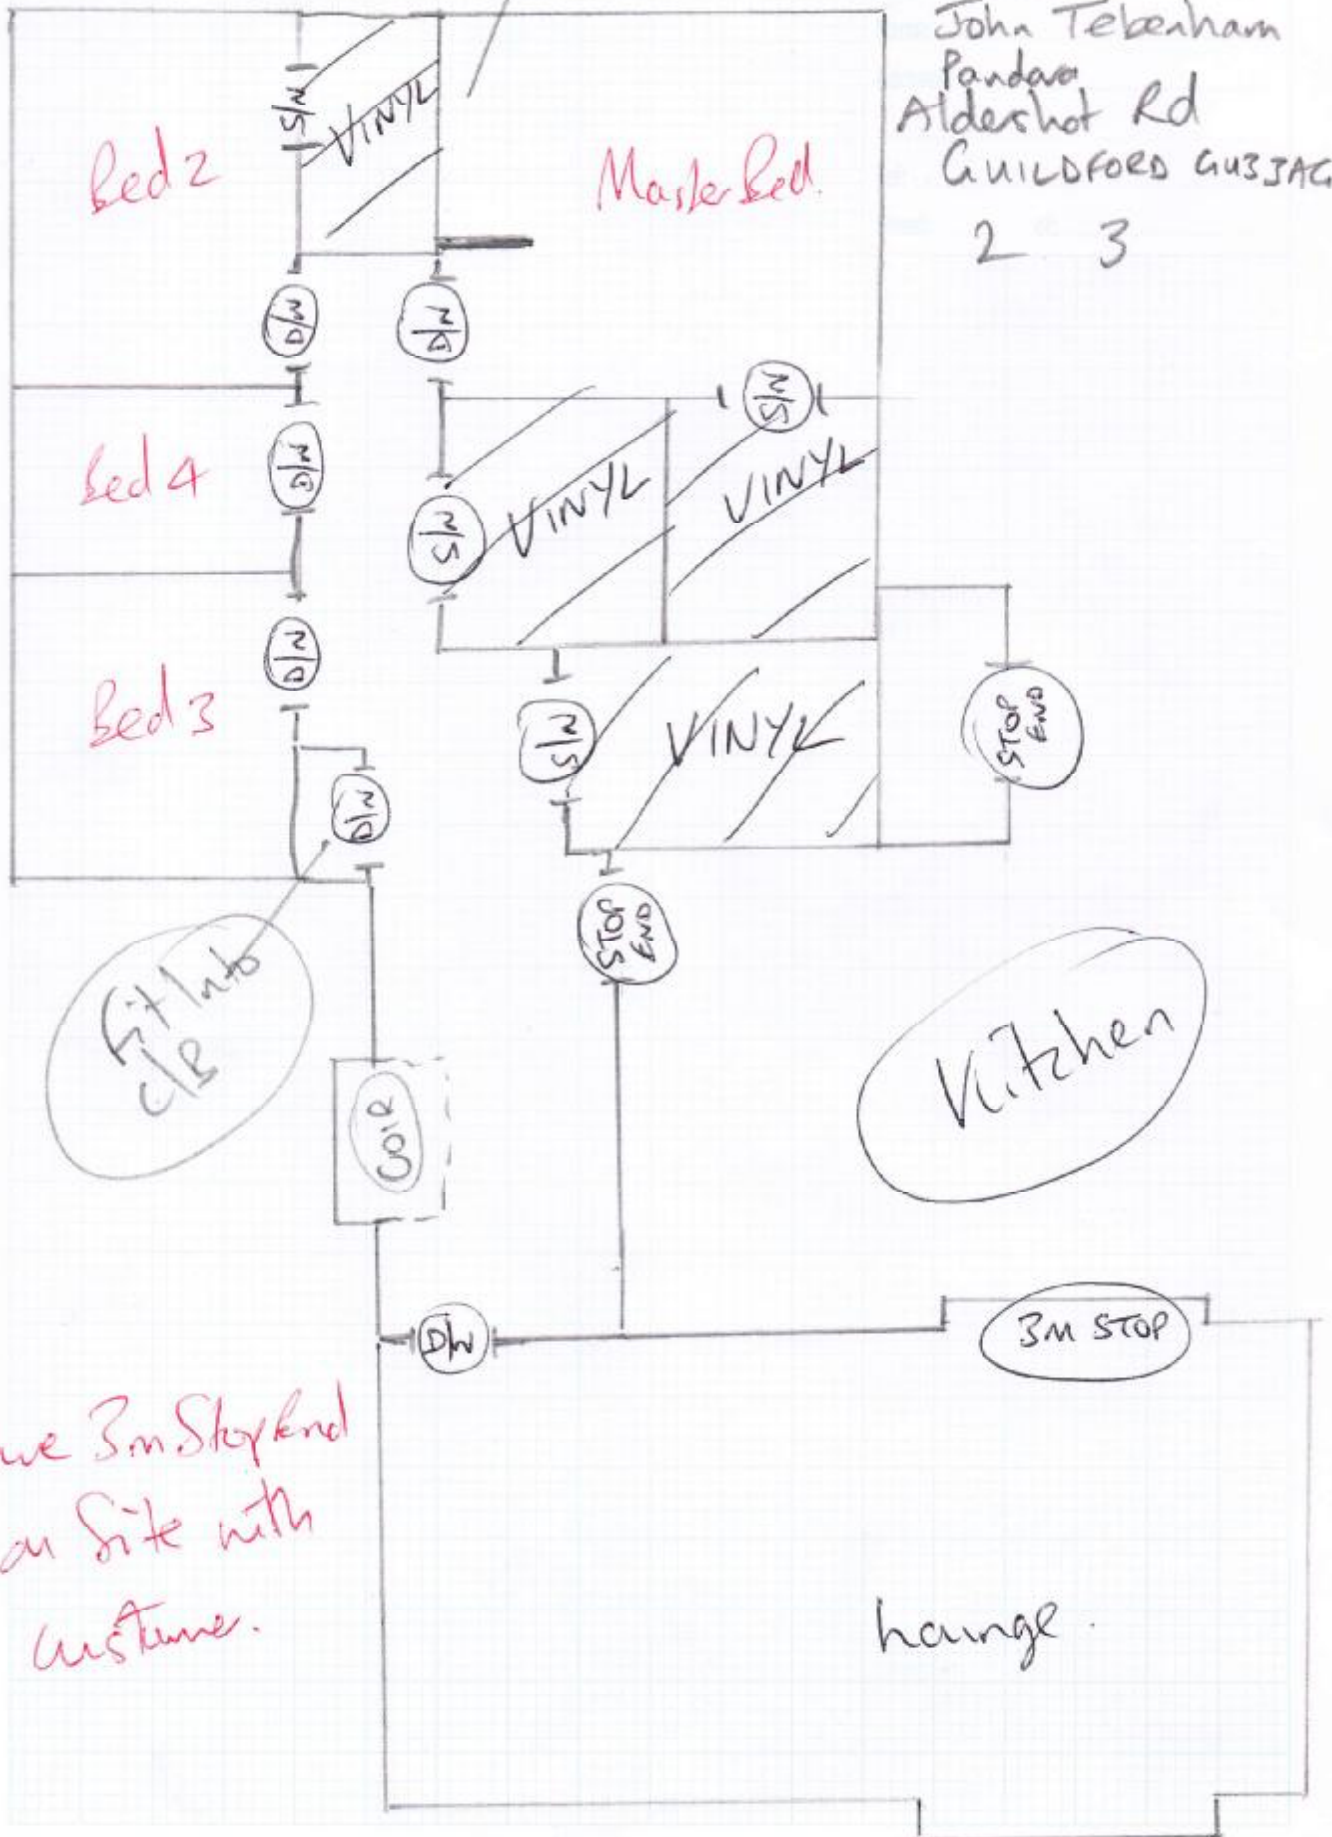

Customer has 4 areas where he has purchased his own vinyl to be fitted.
Also you need to fit wood stop ends to lounge, utility room & hall door.

1. Fit all cupboards with carpet on underlay & gripper.
2. Fit coir matting to entrance hall width of door square with s/Nap edging.
3. Stick gripper to master bedroom as concrete floors.
4. Fit 1 x 3m stop end at kitchen/Lounge doors. Fit 1m stop end at Kitchen/Hall door and 1m stop end at kitchen/utility room.

Also ask customer if he wants to keep the 3m spare stop end if so leave on site and inform DG.
