Answers to frequently asked questions:

- All prices include brackets, screws and delivery
- When ordering made to measure rods, please ensure the sizes you give are tip to tip measurements for the rods, including finials.
- Apart from Star Grip, stair rods are for decorative use only. Carpets must be secured by another means of installation.
- Do not use side fix brackets on WINDERS as there is no suitable fixing for the bracket. Try using rods with front fixing brackets.
- Almost all ranges are available in long lengths.
- If you are fitting on to a thick shag pile carpet, please call us before quoting/ordering.

Measuring guidelines for stair rods:

For Runners:

- All 1/2" (12mm) rods, Tudor, Crystal, Vision, Homepride and Blacksmith Ball & Flat

- All 5/8" (16mm) rods and Eastern Promise Dune finial
Add 5" (12.5cm) onto carpet width
- All 3/4" (19mm) rods, Royale, Eastern Promise Dubai and Cairo & Blacksmith Spear
Add 6" (15cm) onto carpet width

For Front Fix:
