Please Note

Door trimming – It is sometimes necessary to have doors trimmed prior to new carpets being installed. Our fitters do not trim doors; however, we are able to recommend a private contractor who can carry out this work for an additional fee payable directly.

Door trimming – Our fitters do not trim doors, therefore please ensure that all doors have sufficient clearance for your chosen carpet & underlay prior to our arrival (samples of the carpet & underlay can be provided upon request)

Colour match – Although the carpet quoted above is the same range & colour that we installed previously, we cannot guarantee an exact colour match between the existing carpets & the new carpets due to batch differences & the time elapsed between the two separate installations

Floor preparation – No allowance has been made for any sub-floor preparation as we understand the damaged chipboard flooring in the top floor back bedroom will be repaired / replaced by others prior to our arrival

Quoted Prices - Due to increasing raw material & transportation costs, we are experiencing a much higher frequency of price increases from our suppliers, therefore we can only guarantee the quoted prices until the end of the current month, thereafter the carpet price may need to increase in line with manufacturers price increases
