Ref: Stairs repair cost

Description	Price material & labour
1. Stairs repair cost	
a) preliminary	
- protect floor where necessary	
b) repair	
- make good all damages made by Mr. Carpet contractors	
- we are base only on the visible damages, if any bigger damages will be discover after the carpet will be removed and required much more work, the price will be revised and send to client before the work will start	
c) decoration	
- repaint all earlier repair stairs	
- all materials will be included	
d) carpet fitting	
- fit carpet on the last stair in two floor levels	
- it is a bit strange how the professional carpet company can ask builder to do the job which should by done by their fitters.	
e) labour cost	£360.00
- estimated time of work 2 working days @ £180.00 per day + VAT	
f) material cost	
- estimated material cost	£60.00
Total	£420.00
20% VAT	£84.00
Total incl. VAT	£504.00
