Please Note

Door trimming – It is often necessary to have doors trimmed when new carpets are installed. Our fitters do not trim doors; however we are able to recommend a private contractor who can carry out this work for an additional fee payable directly if required?

Furniture Moving – It is the responsibility of the customer to clear all personal effects, breakables, movable items of furniture, computer and home entertainment equipment from the areas to be carpeted prior to our fitter's arrival.

Carpet direction – Due to the layout of the apartment & the available width of the material the weave of the carpets in the Master bedroom suite will run @ 90° to the adjacent hallway. A layout plan showing the weave directions can be provided upon request

Carpet joins – Due to the layout of the apartment & the available width of the material there will be joins in the hall & master bedroom suite carpets (same as existing). A seaming plan showing the locations of the joins can be provided upon request
