**Door trimming** – It is often necessary to have doors trimmed prior to new carpets being installed. Our fitters do not trim doors; however we are able to recommend a private contractor who can carry out this work for an additional fee payable directly.

**Large Mirrored wardrobe** – As discussed on the telephone if you would like us to fit the carpet beneath the large mirrored wardrobes in the 2<sup>nd</sup> floor front bedroom we would require you to empty the contents, remove the doors & uncouple the component parts to allow it to be moved. Alternatively if you do not wish to dismantle it the carpet will be fitted around it

**Furniture Moving** – It is the responsibility of the customer to clear all personal effects, breakables, movable items of furniture, computer and home entertainment equipment from the areas to be carpeted prior to our fitter's arrival.
