#### Please Note

**Stair Runners / Under Floor Heating** – If you have underfloor heating or require stair runners, please make this known to us straight away as this will have an impact on the type of underlay required. These situations must be made known to us to avoid any additional costs due to delayed fittings.

**Door trimming** – It is often necessary to have doors trimmed prior to new carpets being installed. Our fitters do not trim doors; however, we are able to recommend a private contractor who can carry out this work for an additional fee payable directly.

**Furniture Moving** – It is the responsibility of the customer to clear all personal effects, breakables, movable items of furniture, computer and home entertainment equipment from the areas to be carpeted prior to our fitter's arrival.
