Please Note

As discussed on site, this material is very delicate and is stuck to the underlay so it is very difficult to lift and re-fit. There is a very good chance the carpet will not go back down to an acceptable standard. So please see the prices for total replacement. I would suggest we attempt to lift the two front top floor rooms first to see how successful the relaying is.

Joins - There will be a join required in the master bedroom, we can discuss the exact whereabouts.

Payment terms

50% Deposit with order & balance payment due 48 hours before 1st day of installation
(Or 1 month after order placed if the fitting is delayed at customer's request).
