Please Note

Furniture Moving – It is the responsibility of the customer to clear all personal effects, breakables, movable items of furniture, computer and home entertainment equipment from the areas to be carpeted prior to our fitter's arrival.

Uplift – If your carpet is suffering from an existing **moth infestation**, the uplifted carpet & underlay can not be loaded on to the fitter's van to dispose of as this presents a high risk of cross contamination. The uplifted materials would therefore be left outside the property for disposal by others.
