Please Note

Door trimming – It is often necessary to have doors trimmed prior to new carpets being installed. Our fitters do not trim doors; however we are able to recommend a private contractor who can carry out this work for an additional fee payable directly.

Furniture Moving – It is the responsibility of the customer to clear all personal effects, breakables, movable items of furniture, computer and home entertainment equipment from the areas to be carpeted prior to our fitter's arrival.

Floor conditions – As discussed on site there are uneven and loose floorboards that need to be attended to, the reception room in particular. The unevenness will show through the carpet, especially the Fibre flatweave range. We can recommend a carpenter, Lee on 07949 075010. Please deal with him directly to improve the floors.

50% Deposit with order & balance payment due 48 hours before 1st day of installation
