Please Note

**Floor condition** – The existing floors have some creaking and uneven floorboards but the floor has been overlaid with a fibreboard about the thickness of hardboard which looks like it might disintegrate if you tried to lift it. If you wanted to improve the floor condition it would be an ideal time before the new carpet is laid,

**Door trimming** – It is often necessary to have doors trimmed prior to new carpets being installed. Our fitters do not trim doors; however we are able to recommend a private contractor who can carry out this work for an additional fee payable directly.

**Uplift** – Due to the existing moth infestation the uplifted carpet & underlay will be disposed by others.

Payment terms

50% Deposit with order & balance payment due 48 hours before 1<sup>st</sup> day of installation  
(Or 1 month after order placed if the fitting is delayed at customer's request).
