Please Note

**Creaking floorboards** – There are creaking floorboards especially in the bathroom, if you wanted to improve these before we fit the new carpet we are able to recommend a private contractor who can carry out this work for an additional fee payable directly.

**Door trimming** – It is often necessary to have doors trimmed prior to new carpets being installed. Our fitters do not trim doors; however we are able to recommend a private contractor who can carry out this work for an additional fee payable directly.

**Furniture Moving** – It is the responsibility of the customer to clear all personal effects, breakables, movable items of furniture, computer and home entertainment equipment from the areas to be carpeted prior to our fitter's arrival. As also discussed, if you want us to run our carpet under your gun cabinet, you will need to unscrew this from the wall before the day of installation.

Payment terms

50% Deposit with order & balance payment due 48 hours before 1<sup>st</sup> day of installation  
(Or 1 month after order placed if the fitting is delayed at customer's request).
