Please Note

Door trimming – It is often necessary to have doors trimmed prior to new carpets being installed. Our fitters do not trim doors; however, we are able to recommend a private contractor who can carry out this work for an additional fee payable directly.

Runners – If you are having your stairs freshly painted in preparation for the runner, please bear in mind (with the quite forceful method required to install a runner) there is the potential for hairline cracks in the paint, or in the worst case scenario (if your stair case structure is weak) cracks and splits in the stair case themselves. This is not something Mr Carpet LTD can be held responsible for and you will need to arrange any remedial work required to finish the job if need be.

Payment terms

50% Deposit with order & balance payment due 48 hours before 1st day of installation
(Or 1 month after order placed if the fitting is delayed at customer's request).

Order subject to terms & conditions printed overleaf.
