Please Note

**Door trimming** – It is often necessary to have doors trimmed prior to new carpets being installed. Our fitters do not trim doors; however we are able to recommend a private contractor who can carry out this work for an additional fee payable directly.

**Furniture Moving** – Our quotation is based on all areas being clear of furniture at the time of installation

**Moths** – During our survey we noted some evidence of moth activity on the existing carpets therefore we would strongly recommend having the house checked by a qualified pest control company to see if there is an infestation? If this proves to be the case we would recommend having the carpets removed & the areas treated prior to the new carpets being fitted. We have attached a leaflet of a local company "Proton Environmental" who are experts in this field and would be happy to survey the property & provide you with a report

Payment terms

50% Deposit payable with order & balance due 48 Hours before 1<sup>st</sup> day of installation (or 1 month after order placed if the fitting is delayed at customer's request).

Order subject to terms & conditions printed overleaf.
