Please Note

Door trimming – As discussed on site there are 3 doors that will require trimming prior to new carpets being installed. Our fitters do not trim doors; therefore please arrange for a suitable contractor (such as Lee Oswald who's number we provided) to carry out this work prior to the installation.

Tiled panel in hall – As discussed please arrange to have the raised tiled panel in the hallway removed & made level prior to the carpet installation (Lee Oswald may also be able to assist you with this?)

Laminate beading – As discussed in order to achieve the best possible finish around the edges please remove the existing flat scotia beading from the bottom of the skirting boards prior to the carpets being installed (ideally this should be removed prior to redecorating)

Furniture Moving – It is the responsibility of the customer to clear all personal effects, breakables, movable items of furniture, computer and home entertainment equipment from the areas to be carpeted prior to our fitter's arrival.
