Please Note

Door trimming – It is often necessary to have doors trimmed prior to new carpets being installed. Our fitters do not trim doors; therefore please ensure that your contractor trims the doors to allow for the carpet & underlay thickness prior to the installation (samples of the carpet & underlay can be provided upon request)

Furniture Moving – We have allowed to move a moderate amount of furniture in the Ground floor reception room only, however it is the responsibility of the customer to clear all personal effects, breakables, movable items of furniture, computer and home entertainment equipment from the areas to be carpeted prior to our fitter's arrival.

Top landing edge – As discussed on site your builder / timber floor installers are to install a suitable timber nosing to the top landing edge. This will enable us to glue carpet on the landing riser & finish it neatly under the timber nosing

Loft storage cupboard – Due to the carpet width & the layout of the property there will in fact be sufficient waste carpet to cover the loft storage cupboard, therefore we have allowed to stick this waste carpet directly to the floor without any underlay in this cupboard, rather than buy a different carpet for it

Easyshim ramps - Where carpets are to meet timber or tiled flooring that are higher than the combined thickness of the carpet & underlay (approx 20mm), we may need to install an 'Easyshim ramp' under the carpet to raise the height of the carpet at these junctions to avoid a trip hazard. As the tiles & timber flooring were not yet fitted at the time of our survey we were unable to establish how many shims will be required at this stage, therefore we have provided an optional additional price per doorway if required?

Tight access - The tight & winding nature of the stairs mean that there is a possibility of the large carpets touching & marking the walls whilst being transported up the stairs. Therefore we strongly recommend that you DO NOT apply the final coat of paint to the walls of the staircase until after the carpets are fitted. Although our fitters will take the utmost care when unloading the materials, we cannot accept any responsibility for any remedial decorative works that may be required as a result of the carpets marking the walls whilst being unloaded up the stairs

Existing Floorboards - During our survey we noted that some of the existing floorboards are either loose or in need of repair. Please note that our fitters do not carry out such repairs and therefore we recommend that your builder carries out any such repairs prior to the carpet installation as part of their ongoing building works

Reception room - As discussed on site it was not possible to take dimensions of the Reception room due to the amount of furniture & building materials currently being stored in that room, therefore we have based our quotation on the room sizes held on file from the last time we carpeted this room back in 2012. Please notify us immediately if you think the dimensions of this room have changed since 2012?

Cost of materials - We are currently experiencing a higher volume of price increases from our suppliers, therefore the prices quoted above can only be held until the end of the current month. Thereafter prices may be subject to increase in line with manufacturer's price increases

TERMS AND CONDITIONS OF TRADING

1 Definitions

- 1.1 "The Company" means Mr Carpet Limited (and/or licensed Franchises operating under the name of Mr Carpet).
- 1.2 "The Customer" means the customer as stated overleaf.
- 1.3 "The Materials" means the materials described overleaf, whether in detail or by reference to a previous specification.
- 1.4 "The Site" means the customer's premises (or other delivery address as shown overleaf).
- 1.5 "The Contract" means the contract for the sale of goods and services by the Company to the Customer.
- 1.6 "Head Office" means the offices of the central administration of the Company, not necessarily the registered offices.
- 1.7 "Working days" means MONDAY to FRIDAY inclusive.

2 General

- 2.1 Unless otherwise agreed in writing by Head Office these terms and conditions shall apply to all orders placed with the Company by the Customer.
- 2.2 These conditions shall be incorporated in the Contract to the exclusion of any terms or conditions stipulated or referred to by the Customer.
- 2.3 No variation or amendments of this Contract shall be binding on the Company unless confirmed in writing by Head Office.

3 Acceptance

- 3.1 A Contract price given by the Company is open for acceptance by the Customer for 28 days. Queries regarding quantities of materials, methods of fitting, position of joins etc. must be resolved before acceptance thereof.
- 3.2 All prices quoted by the Company are inclusive of Value Added Tax (charged at the rate applicable at the date of invoice), unless otherwise stated.
- 3.3 Where measurements are provided by the Customer and are not subject to prior confirmation and checking on Site by the Company the Customer is liable for any errors resulting from incorrect measurements. If requested by the Customer to carry out any additional or remedial work necessitated by the Customer's incorrect measurements the Company reserve the right to charge for any additional materials, fares, traveling time and time spent on Site in addition to the Contract price.
- 3.4 To facilitate quick and efficient fitting all areas must be cleared of furniture, effects and old carpets unless a separate charge has been agreed and included in the Contract price. If this is not done the Company reserves the right to make a charge for this service in addition to the Contract price.
- 3.5 The Company will not accept responsibility for damage to pipes or cables under the floor or consequential damage to property or fittings unless the location of the pipes and cables are clearly marked for the fitter to see.
- 3.6 The Company does not provide a door trimming or easing service, but by request of the Customer a subcontractor can be organised on behalf of the Customer.
- 3.7 A firm, level floor is essential to obtain maximum wear. Subsequent complaints about the carpets resulting from inadequate floor quality cannot be upheld.
- 3.8 Slight variations in widths of carpets and smooth-flooring cannot be avoided but tolerances are within British Standards Institute stipulated tolerances.
- 3.9 Unless otherwise stated the Contract price is for one visit to the Site only. If this Contract is interrupted or extended due to change of specifications and/or instructions by the Customer or it is found that additional remedial work is necessary by the Company or there is interference by other trades which delay the Contract additional fares, traveling time and time spent on Site will be charged in addition to the Contract price.
- 3.10 Any times quoted for delivery are estimates only and time will not be of the essence of the Contract. Delay will not render the Company liable to any claims for damages, direct or indirect.

4 Matching, Shading and Berber Effect

- 4.1 We draw your attention to the difficulty of producing an exact match of shades and pattern repeats with different widths of carpet and smooth-flooring of any quality which are required to be laid together. As it is not possible for us to give, or to obtain from the manufacturer, a guarantee of perfect matching we regret that orders are accepted on the understanding that the nearest obtainable match is provided. Naturally every effort will be made to supply as satisfactory a match as possible.
- 4.2 All pile carpets (especially plains and Berbers) are liable to shading that is to show light and dark patches arising from unequal crushing of the surface. Shading is an inherent characteristic and this tendency is not detrimental to the carpet and is not due to any manufacturing defect. The Company cannot therefore accept any responsibility for the effect.
- 4.4 All manufacturers of Berber carpets produced from wool or containing wool use a random blend of colour. This can cause a

lined effect in the carpets which may not be noticed in sample form.

5 Cancellation/Changes

- 5.1 Cancellation or change cannot be accepted without written agreement by both parties.
- 5.2 Cancellations are considered only when materials have not already been cut. Where materials have been ordered specially from the manufacturer/supplier cancellation will only be accepted after it has been ascertained that materials are not in transit, and that the manufacturer will accept cancellation.
- 5.3 If the Company agrees to the return of any materials ordered by the Customer, the Customer shall be liable to pay the Company a restocking charge of 20% of the nett sale price of the goods.
- 5.4 Changes to the Contract cannot be accepted within 3 working days of the appointment for delivery/fitting.
- 5.5 Cancellations or deferment by the Company will not render the Company liable to any claims for compensation for damages, direct or indirect.

6 Delivery/Fitting

- 6.1 Where delivery only or delivery and fitting of Materials is included in the Contract price a date (or dates, where appropriate) will be agreed between the Company and the Customer. Every effort will be made by the Company to accommodate the Customer's preferences and wishes.
- 6.2 It is not possible to quote an exact time on the agreed day for delivery or fitting. An indication can be given by the Company to the Customer according to other work booked on the same day, once known but must be seen by the Customer as a guideline only.
- 6.3 Should the Customer wish to change an appointment once made for delivery or fitting the Customer must contact the branch of the Company where the order was placed at the latest before Noon - 2 working days prior to the appointment day.
- 6.4 The requirement for 2 working days notice means that changes to MONDAY bookings must be made before Noon on the preceding THURSDAY and changes to TUESDAY bookings must be made before Noon on the preceding FRIDAY.

- 7.3 The Materials shall remain the property of the Company until the whole of the Contract price has been paid. The Customer shall be responsible for the safe custody, loss or damage to the Materials whilst they are on the customer's premises (or other delivery address as shown overleaf).
- 7.4 Notices of any faults or defects in workmanship or materials must be sent to the Company in writing within 14 days of delivery/fitting and the Company must be given the opportunity to inspect such defects otherwise the Company will not be responsible in respect thereof. The Company will not be liable in any event for defects beyond the Company's control.
