**Door trimming** – It is often necessary to have doors trimmed prior to new carpets being installed. Our fitters do not trim doors; however we are able to recommend a private contractor who can carry out this work for an additional fee payable directly.

**Please note** – The above price is valid only if this room is fitted at the same time as the rest of the flat as we have allowed to use waste from the other areas for the filler in the living room

Payment terms

50% Deposit payable with order & balance due 48 Hours before 1<sup>st</sup> day of installation (or 1 month after order placed if the fitting is delayed at customer's request).
