Door trimming – It is often necessary to have doors trimmed prior to new carpets being installed. Our fitters do not trim doors; so please arrange for this work to be undertaken

By your own tradesman prior to any installation dates (approx. clearance height 20mm)

Furniture Moving – It is the responsibility of the customer to clear all personal effects, breakables, movable items of furniture, computer and home entertainment equipment from the areas to be carpeted prior to our fitter's arrival.

Uplift – Due to the existing moth infestation the uplifted carpet & underlay cannot be loaded on to the fitter's van to dispose of as this presents a high risk of cross contamination. The uplifted materials would therefore be left outside the property for disposal by others.
