Please Note

**Wooden Stair Nosings** - It is understood that your builders will supply and install sufficient stair nosings to facilitate the installation of stair runners – Unfortunately the nosings installed at present do not have a sufficient drop to cover the white painted round nosing beneath. Therefore, this white painted area would be visible between the runner & the wood nosing as the proposed stair runner is designed to finish under the existing white painted rounded nosing. (Please call the showroom to discuss further)

**Door trimming** – It is often necessary to have doors trimmed prior to new carpets being installed. Our fitters do not trim doors; so please arrange for this work to be undertaken by your own tradesman prior to any installation dates (approx. clearance height 20mm)

Payment terms

50% Deposit payable with order & balance due 48 Hours before 1<sup>st</sup> day of installation (or 1 month after order placed if the fitting is delayed at customer's request).
