Please Note

Door trimming – It is sometimes necessary to have doors trimmed prior to new carpets being installed. Our fitters do not trim doors; however, we are able to recommend a private contractor who can carry out this work for an additional fee payable directly.

Furniture Moving – Our quotation is based on the areas being clear of furniture at the time of installation

Parking Permit – Due to resident only parking restrictions outside the property, we will require you to provide a visitor parking permit to the fitters for the duration of the installation to enable them to park their van nearby

Quoted Prices - Due to ever increasing raw material & transportation costs, we are experiencing a much higher frequency of price increases from our suppliers, therefore we can only hold the quoted prices open for acceptance until the end of the current month, thereafter they may need to increase in line with manufacturers price increases
