Please Note

Door trimming – It is often necessary to have doors trimmed when new carpets are installed. Our fitters do not trim doors; therefore, please ensure that your contractor trims the doors to allow for the carpet & underlay thickness prior to the installation (samples of the carpet & underlay can be provided upon request)

Furniture Moving – As discussed, our quote is based on the property being completely empty of furniture & personal belongings at the time of installation (i.e. between tenancies)

Carpet Prices - Due to ever increasing raw material & transportation costs, we have been advised by the manufacturer of your chosen carpet that they are having a price increase in early December, therefore we can only hold the quoted prices open for acceptance until the end of November, thereafter the price will increase in line with manufacturers price increase
