**Furniture Moving** – It is the responsibility of the customer to clear all personal effects, breakables, movable items of furniture, computer and home entertainment equipment from the areas to be carpeted prior to our fitter's arrival.

**Uplift** – Due to the existing moth infestation we cannot offer a service to uplift & dispose of the existing carpet & underlay as this presents a high risk of cross contamination to our vehicles.

Therefore, it is understood that you will be making your own arrangement to remove the existing materials & arrange for the appropriate treatment to eradicate the current moth issue.
