Please Note

Door trimming – It is sometimes necessary to have doors trimmed when new carpets & underlay are installed. Please note: Our fitters do not trim doors, however we can recommend you to a private contractor who may be able to carry out this work for an additional fee payable directly to him if required

Furniture Moving – The provision to move furniture covers the moving of items which are physically too big to be removed from the area by the customer. Any wardrobes, chests of drawers, dressers, filing cabinets & any other storage items should be emptied in advance to make them as light as possible for our fitter's to move. Small items, personal belongings, delicate items, clothes & bedding should also be removed from the areas to be fitted prior to the fitter's arrival. We are happy to discuss a 'split phase' installation if you wish

Payment terms

50% Deposit payable with order & balance due 48 Hours before 1st day of installation (or 1 month after order placed if the fitting is delayed at customer's request).

Order subject to terms & conditions printed overleaf.
