All prices include VAT @ 20%

Please Note

Stair runner installation –During the stair runner installation there is a possibility that some cracks / chips may appear in the exposed paintwork, especially if the staircase has been filled prior to being painted. This is due to the staircase being an old timber construction & as such is subject to movement caused by vibrations when the fitter nails the gripperod fixings into place & also when he bolsters the stair runners into the gripperod gully which has to be done with a reasonable amount of force to ensure the carpet is secured correctly. Unfortunately, this is unavoidable and we cannot be held responsible for any redecoration works that may be required post installation

Payment terms

50% Deposit payable with order & balance due 48 Hours before 1st day of installation (or 1 month after order placed if the fitting is delayed at customer's request).

Order subject to terms & conditions printed overleaf
