Please Note

Skirting Painting – If you are anticipating to paint the skirtings boards/stringers on the stairs, we would highly recommend to either remove the existing carpets completely or at least cut back the carpet on both sides of the stairs so that any new paintwork goes all the way to the bottom of the skirting boards before new carpets are installed

Door trimming – It is often necessary to have doors trimmed prior to new carpets being installed. Our fitters do not trim doors; so please arrange for this work to be undertaken by your own tradesman prior to any installation dates (approx. clearance height 20mm -22mm)

Payment terms

50% Deposit payable with order & balance due 48 Hours before 1st day of installation (or 1 month after order placed if the fitting is delayed at customer's request).

Order subject to terms & conditions printed overleaf.
